WHERE LOVE LEADS TO ACTION

IMPACT REPORT 2024

TESTIMONIALS

"Me and my children come to 2nd Saturday because it's a community of mothers where you can feel comfortable and have support." ~Mom

"Through their donations, the Christ Child Society supplements breakfast, snack and lunch needs for 15+ special learners. We have seen attendance increase, attention during class extended, and test scores increase."
~ Administrator, St. Coletta Day School

"A few weeks back we had a mom that received a layette. She did not realize she was pregnant until she got to the hospital and discovered she was in labor! Your gift gave her an outfit for her son to wear home and a blanket in which to wrap him. There is nothing random about your acts of kindness!" ~MSW, ProHealth Care

Since 1948, our all-volunteer membership has worked to meet the growing needs of children in Southeast Wisconsin.

Christ Child Society of Milwaukee is a 501(c)(3) non-profit charitable organization whose mission is dedicated to expressing our love of the Christ Child by service to all God's children. Part of a national organization began in 1887, the Milwaukee Chapter was founded in 1948. Each year, our all-volunteer membership works through our Follow the Child Programs to help serve children in need in our community.

LAYETTES

We procure, assemble, and distribute newborn clothing and basic supplies to mothers with infants in need through partnerships with area hospitals and care centers.

MY STUFF BAGS

We procure, assemble, and distribute clothing, hygiene, and comfort items to children who are unexpectedly placed in temporary housing shelters for safety.

VISION SCREENING

Our volunteers partnered with Prevent Blindness to screen 880 parochial elementary students in 2024.

SCHOOL SUPPORT & LITERACY

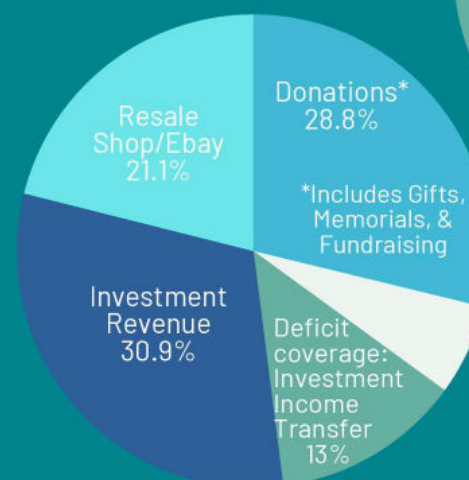

Program support provided to St. Joan Antida, Messmer, and St. Colletta's Day School. Volunteer teaching assistance for Blessed Savior School South students, and small book libraries provided and stocked at local homeless shelters.

SECOND SATURDAY

Volunteers provide a safe environment for mothers and children to gather and grow in community. Programming includes activities, crafts, reading, speakers, and lunch.

A NOTE FROM OUR PRESIDENTS

2024 was a year of amazing growth for Christ Child Society of Milwaukee. We added two additional hospitals for Layette distribution, three additional clothing sizes for My Stuff Bag distribution, two more schools for Vision Screening, increased the number of families at Second Saturday, and hosted a Children's Book Drive to support our literacy initiatives across all the Christ Child Society of Milwaukee programs.

Thank you members, Advisory Board, Partners and Donors! Your time, talent and treasure are the reasons we reached more infants and youth in need across the Greater Milwaukee area. We are truly blessed and humbled by your support.
